Filed: 3/11/2004
Title: Natural Gas Engine Supply Method And Apparatus
Paper:
Group: 3747
Examiner: McMahon, Marguerite J

Response to Office Action. Responsive to the Office Action mailed 3/27/2006, Applicant submits the following in complete response thereto, and requests reconsideration of the Claims presented. The amendments offered in this Response are believed to place the Claims in condition for allowance, and hence entry after final rejection is proper.

Claims. A complete listing of the Claims as amended is presented beginning on page 2 hereof.

Remarks. Remarks are presented beginning on page 6 hereof.

Fee. This response is filed within two months of the mailing date of the Office Action. Accordingly, no extension fee is required.

After amendments, there are 20 total claims, 5 of which are independent. Applicant previously paid for 20 total claims, 6 of which were independent. Accordingly, no additional claims fee is required.

Conclusion. Applicant has responded to each and every requirement and urges that the Claims as presented are in condition for allowance. Applicant requests expeditious processing to issuance.

Respectfully submitted;

V. Gerald Grafe
